PRESIDENT'S SECRETARIAT

New Delhi, the 20th December, 1960

No. 65-Pres./60.—The President is pleased to award the Police Medal for gallantry to the undermentioned officers of the Orissa Police:—

Names of the Officers and ranks.

- (1) Shri Gopinath Bisoi, Sub-Inspector of Police (*Officiating*), Raibania Police Station, Balasore District, Orissa.
- (2) Shri Balaram Senapati, Police Constable No. 89, Balasore District, Orissa.
- (3) Shri Mahamad Hossain Khan, Police Constable No. 573, Balasore District, Orissa.

Statement of services for which the decoration has been awarded:—

On the 28th February, 1960, Sub-Inspector Gopinath Bisoi, Officer-in-Charge, Raibania Police Station, went to village Teghari, accompanied by Police Constables Balaram Senapati and Mahamad Hossain Khan and another Constable to investigate a case of dacoity. That night the police party camped in the local school premises. At about 11-00 p.m. Shri Madhab Jena, accompanied by another villager, came running to Shri Bisoi and informed him that a dacoity was being committed in his house. Shri Bisoi, accompanied by the Constables and two villagers, immediately rushed to the spot. Enroute they were joined by two more villagers. Shri Bisoi was armed with a revolver and the other members of the party with lathis. On emerging from the school house lane they came upon 7 or 8 dacoits armed with lathis, axes and bows and arrows outside the house that was being plundered. The dacoits began to pelt the police party with brickbats. The police party retaliated by throwing clods of earth at the dacoits and at the same time advanced on them. One of the dacoits was injured and fell down. He was captured by the villagers and taken in custody to a nearby house. The other dacoits attempted to rescue him. In the scuffle that followed two more dacoits were arrested but the remaining dacoits continued to assault the police party and were joined by 10 others who came out of the house. Constable Senapati grappled with a dacoit and fell on the ground with him. The other dacoits

rained lathi blows on Constable Senapati, his hand was fractured and his head was bleeding profusely, when he was forced to release the dacoit. Constable Mahamad Hossain Khan also grappled with a dacoit and was attacked by the gang. He was struck by an arrow but pulled it out, but when a second arrow pierced his abdomen he lost consciousness and the dacoit he was holding escaped. Sub-Inspector Bisoi in the meantime had fired three rounds at the dacoits from his revolver and they now concentrated their attention on him. Unfortunately he fell into a ditch where the dacoits set upon him with their lathis. He fired three more shots to drive the dacoits off. Meanwhile some more villagers armed with lathis arrived at the scene and the dacoits who were about 25 in number left the village. They were pursued by the villagers and forced to leave behind the property they had stolen.

In this encounter, Sub-Inspector Gopinath Bisoi and Constable Balaram Senapati and Mahamad Hossain Khan showed great courage and devotion to duty of a high order at great personal risk.

2. These awards are made for gallantry under rule 4 (f) of the rules governing the award of the Police Medal and consequently carry with them the special allowance admissible to officers of and below the rank of Inspector of Police as provided in rule 5.

A. V. PAI, Secy.

PLANNING COMMISSION
(Committee on Plan Projects)

RESOLUTION

New Delhi, the 19th December 1960

No. COPP/Adm./12/38/60.—The Committee on Plan Projects, set up by the National Development Council for studying plan projects with a view to economy and efficiency, has, since 1st January, 1957, constituted for this purpose a number of teams, consisting of public workers, private and Government technical personnel and administrators. A list of teams and the dates from which they were constituted is annexed. The personnel of the teams from time to time, the

terms applicable to them, the areas of study assigned to them and their duration have been notified separately to all concerned.

These teams should be recognised as having been created by specific Resolutions of Government from their respective dates of constitution and Secretaries of the teams as Member-Secretaries as from their dates of appointment.

This Resolution will not affect the conditions of service or terms of appointment of Leaders, Members and Member-Secretaries already notified separately, in any way unless orders are issued altering them in specific cases.

Ordered that the Resolution be published in the Gazette of India for general information.

ANNEXURE

Sl. No.	Name of the Team	Date of constitution
1.	Community Projects and National Extension Services Team.	1-1-1957.
2.	Irrigation and Power Team.	12-2-1957.
3.	Selected Buildings Projects Team.	1-3-1957.
4.	Social Welfare Team.	1-5-1958.
5.	Seed Multiplication Team.	1-3-1960.

R. S. CHADDA, Dy. Secy.

MINISTRY OF FINANCE (DEFENCE)

New Delhi, the 17th December 1960

No. 0695/ACcts./AN.—In exercise of the powers conferred by the proviso to article 309 of the constitution, the President hereby directs that the following further amendment shall be made in the Defence Accounts Department (Temporary Service) Rules, 1949, namely:—

- These rules may be called Defence Accounts Department (Temporary Service) Amendment Rules, 1960.
- In the Defence Accounts Department (Temporary Service) Rules, 1949, for rule 8-A, the following rule shall be substituted, namely:—

"8-A. Notwithstanding anything contained in rule 5, the services of a temporary Government servant, who is not in quasi-permanent service may be terminated at any time without notice on his being declared physically unfit for continuance in service by an authority who would have been competent to declare him as permanently incapacitated for service had his appointment been permanent".

D. N. VARMA, Asstt. Fin. Adv.

S. Avinashilingam Chettiar.

VIKRAM SINGH, Asstt. Edu. Adv.

MINISTRY OF TRANSPORT AND COMMUNICATIONS

(Department of Transport)

(Transport Wing)

RESOLUTION

PORTS

New Delhi, the 16th December 1960

No. 2-PG(12)/59.—The Government of India have received the Administration Report of the Port of Kandla for the year 1958-59. The salient features of the Report are reviewed below:—

(1) FINANCIAL RESULTS

(a) **Port Fund.**—The Revenue receipts of the port (excluding the Pilotage Account) during the year was Rs. 67.02 lakhs as compared with Rs. 47.15 lakhs during 1957-58.

The expenditure (excluding that charged to the Pilotage Account and contributions to the Depreciation Fund and Capital Account) during the year under review was Rs. 27.94 lakhs as against Rs. 24.25 lakhs in 1957-58. Contributions were made as usual to the Depreciation Fund and the Capital Account, the amounts transferred being Rs. 4 lakhs and Rs. 5.27 lakhs respectively.

(b) **Pilotage Account.**—The gross income and expenditure during 1958-59 was Rs. 1.05 lakhs and Rs. 1.52 lakhs, (excluding a contribution of Rs. 1 lakh to the Depreciation Fund in the Pilotage Account), respectively, resulting in a deficit of Rs. 0.47 lakhs during the year. There was a deficit of Rs. 0.44 lakhs in 1957-58, the gross income and expenditure for that year being Rs. 0.81 lakhs and Rs. 1.25 lakhs, respectively.

(c) **Debt.**—The outstanding debt of the port at the close of the financial year 1958-59 was Rs. 3.09 crores due to Government on account of assets transferred to the Port of Kandla

(2) TRAFFIC

(a) **Trades.**—The traffic passing through the port of Kandla has been steadily on the increase as indicated in the table below:—

Year	Imports Tons	Exports Tons	Total traffic Tons
1954-55	40,021	1,12,572	1,52,593
1955-56	205,390	1,02,512	3,07,902
1956-57	327,829	1,45,657	4,73,486
1957-58	608,978	2,35,277	8,44,255
1958-59	882,317	1,87,863	10,70,180

Out of the four cargo jetties provided for in the Kandla Port Project, two were completed and thrown open to traffic in March 1957 and the remaining two in July, 1957. The annual traffic expected to pass through the port during the first five years, after the cargo jetties were brought into commission, as estimated at the time of approval of the Project, was 850,000 tons, including oil traffic. This target was very nearly reached in 1957-58 and exceeded in 1958-59. The imports in 1958-59 registered an increase of 2,73,339 tons, or about 45 per cent, over the imports of the previous year, mainly due to increased imports of foodgrains, iron and steel and mineral oils. On the other hand, the exports in 1958-59 registered a fall of 47,414 tons, or about 20 per cent, as compared with the imports in 1957-58, mainly due to reduced traffic in iron ore, cotton, bone crush and wool.

(b) **Shipping.**—Excluding sailing vessels, 257 vessels with a gross tonnage of 15,41,956 entered the port during 1958-59, as against 198 vessels with a gross tonnage of 6,98,057 in 1957-58.

M. T. "Solo" with a gross tonnage of 12,568 was the biggest, M. O. "Solo" of a length of 559.8 ft. the longest and M. V. "Silver Stone" of 30' draft, the deepest vessel which entered the port during the year under review.

(3) LABOUR

The labour situation at the port continued to be satisfactory during 1958-59. Sixty quarters exclusively for shore labour were constructed near the port during that year.

(4) CAPITAL WORKS

Except for a few minor items of work, the construction of the Cargo Jetty 2,700 ft. long, with four deep water berths, three transit sheds, four double storeyed warehouses and ancillary facilities, was completed during the year under review. Pile foundation work for the extension of the jetty by 2025 ft. was suspended after completion of work on roughly half of the extension because of certain difficulties experienced as a result of the varied nature of the soil in the remaining area.

MINISTRY OF SCIENTIFIC RESEARCH AND CULTURAL AFFAIRS

New Delhi, the 17th December 1960

No. 16-73/59-S.—In exercise of the powers conferred by the proviso to Article 309 of the Constitution, the President hereby makes the following amendments to the Survey of India Class I and Class II Recruitment Rules published by the Ministry of Scientific Research and Cultural Affairs in their Notification No. 16-19/60-S, dated the 1st July, 1960 and (Recruitment from the Corps of Engineer Officers) Rules, 1950 published by the late Ministry of Agriculture in their Notification No. F. 16-81/48-R, dated the 17th August 1950.

1. The Survey of India Class I (Recruitment) Rules.

(i) **Rule 23, Part III.**—For the existing rule, substitute the following:—

"Recruitment by promotion shall be made by selection on merit from among Survey of India Class II Officers".

(ii) **Para 2(i) of Appendix I.**—For existing rule, substitute the following:—

"The post of Superintending Surveyor will be treated as "Non-selection" post for the purpose of promotion of Corps of Engineer Officers and the civilian direct recruits and substantive promotions will be made on the basis of seniority-cum-fitness of these two categories of officers".

(iii) **Para 2(6) of Appendix I.**—For the existing rule, substitute the following:—

"Promotion from the Superintending Surveyor's grade to the next grade of Deputy Director and above shall be made by selection in accordance with the orders issued by Government from time to time."

2. The Survey of India (Recruitment from Corps of Engineer Officers) Rules, 1950.

(i) **Para 5-A (1).**—For the existing rule, substitute the following:—

"The post of Superintending Surveyor will be treated as "Non-selection" post for the purpose of promotion of Corps of Engineer Officers and the civilian direct recruits and substantive promotions will be made on the basis of seniority-cum-fitness of these two categories of officers".

(ii) **Para 5-A (6).**—For the existing rule, substitute the following:—

"Promotion from the Superintending Surveyor's grade to the next higher grade of Deputy Director and above shall be made by selection on merit in accordance with Government orders issued from time to time."

3. The Survey of India Class II (Recruitment) Rules.

(i) **Rule 22 Part III.**—For the existing rule, substitute the following:—

"Recruitment by promotion will be made by selection on merit from specially deserving officers of the Class III (Division I) Topographical Establishment for 50 per cent of the vacancies in the Survey of India Class II Service subject to the availability of suitable persons."

(ii) **Para 5(3) of Appendix I.**—For the existing rule, substitute the following:—

"Promotion of Class II Officers to the grade of Superintending Surveyor shall be made by selection in accordance with the orders issued by Government from time to time."

(iii) **Para 5(5) of Appendix I.**—For the existing rule, substitute the following:—

"Promotion from the Superintending Surveyor's grade and the next higher grade of Deputy Director and above shall be made by selection in accordance with the orders issued by Government from time to time."

HARI SHANKAR, Under Secy.

(5) AMENITIES TO STAFF:

(a) **Housing.**—Sixty per cent of the Port employees have been provided with quarters at Kandla and Gandhidham.

(b) **Education.**—Free education upto the seventh standard is being imparted to the children of the employees of the port in two schools, one each at Gopalpur and Kandla, which are being run by the Port.

(c) **Clubs & Canteens.**—Clubs and canteens have been installed for the benefit of the port employees.

(6) GANDHIDHAM TOWNSHIP :

Simultaneously with the decision to develop the major port of Kandla it was decided to develop a township in the vicinity of the port; which would serve not only as a Port Town but also assist the rehabilitation of displaced persons from West Pakistan, especially Sind. A Master Plan for the township (Gandhidham) covering an area of 7,000 acres was prepared by an American Firm of Planning consultants. Under this plan the town was divided into six residential districts with separate business and commercial centres & industrial areas. Each residential district was planned to be self sufficient in its social cultural, education & other civic amenities.

The first stage of development of the township, which has been taken up, covers an area of 4337 acres, out of which 1737 acres are being developed by the Kandla Port Administration. The remaining area of 2,600 acres is being developed

by the Sindhu Resettlement Corporation, Ltd., a Joint Stock Company, for allotment of plots to their share holders, under a lease deed executed by Government and the Corporation.

Out of the area of 1737 acres allotted to the Port Administration, 233 acres cover the railway staff colony, 260 acres the port staff colony, 9 acres the Port Administrative Office. The remaining 1235 acres are being developed by the Kandla Port Administration for allotment of plots for residential, commercial and/or industrial purposes.

While the Corporation is responsible for the entire internal development of its sector, the Port Administration is responsible not only for the internal development of its own sector but also for central development works in the entire area of 4337 acres, i.e. main roads, central water distribution mains and central drainage and sewerage mains, etc. The Corporation has to meet a proportionate share of the expenditure on the Central works.

Since the commencement of the development of the township in 1949, about 7000 buildings have been constructed and 600 acres of land fully developed, while 1109 acres are under development; and also 97 miles of roads have been constructed and 36 miles of main water supply pipe lines laid.

The expenditure incurred by the Kandla Port Administration up to 1958-59 was Rs. 63.72 lakhs.

Ordered that a copy of this Resolution be communicated to all concerned and also published in the Gazette of India.

NAKUL SEN, Jt. Secy.
